Just Energy Announces Nominees to Board of Directors and Annual and Special Meeting of Shareholders Details

TORONTO, ONTARIO - - June 3, 2015 - -

Just Energy Group, Inc. (TSX:JE; NYSE:JE), an energy management solutions provider specializing in electricity, natural gas, solar and green energy, today announced its slate of nominees to the board of directors for election at the June 25, 2015 annual and special meeting of shareholders. Five new directors have been nominated, three of which represent replacements for current directors not standing for re-election. The two additional board seats were made available following a May 14, 2015 approval by the board to increase the size of the board to eleven directors.

Hugh Segal and Michael Kirby will not be standing for re-election based on a retirement policy for directors who have served terms greater than fifteen years. Gordon Giffin is not standing for re-election due to significant other business and board commitments.

The five new directors that have been nominated for election at the annual meeting are: Ryan Barrington-Foote, chartered accountant and managing director at The Jim Pattison Group; H. Clark Hollands, chartered accountant and director of the Jim Pattison Foundation; James Lewis, Co-President and Co-Chief Executive Officer of Just Energy; Deborah Merrill, Co-President and Co-Chief Executive Officer of Just Energy; and David Wagstaff, chartered accountant and Chief Financial Officer of Jetport Inc. The nominees proposed for election were recommended to the board by the nominating and governance committee. More detailed background information on each of the nominees can be accessed in the Management Proxy Circular, available on the Company's website at www.justenergygroup.com.

“The outside nominees we have announced today will provide the board with extensive finance and management experience with two of the most successful investment groups in North America. The election of our Co-CEOs would bring their significant industry and leadership experience within our Company to Board discussions. Overall, the nominees would bolster the board's financial acumen and further align the Board's interests with those of our shareholders,” said Executive Chair Rebecca MacDonald. “With nearly 40 years of combined Board service at Just Energy, the leadership contributions that Hugh, Michael, and Gordon provided to our board of directors have been instrumental to the success of our Company. We thank them for their service and wish them well in the future.”
